197 Litchi seeds from
7/20/5 ~~Black~~ Affeng tree. Fruit
sent to Mrs Horner, Lahaina
DISCARD and seed returned and
planted at once in flat
on this date.

198 Litchi seed. This
7/20/5 fruit was purchased
about June 25, wrapped
in paper and kept until this
date. Removed from flat
and planted. Appearance
of seed the same as when
the fruit ~~was~~ is taken from
the tree. The flesh had
fermented slightly in
the case of one which I
tasted.
